

# **BBC RADIO SHEFFIELD**

88.6, 94.7 & 104.1 FM & Digital Radio

## **REGION ON FILM**

**Do you have any old cine film in any format?**

BBC Radio Sheffield and Look North has launched a new project to unearth the region's history on film.

**REGION ON FILM** aims to uncover old cine film, which may be gathering dust in lofts, garages and basements, and to tell the stories behind it.

We're appealing for your old cine film in any format, 8mm, Super 8, 9.5mm, 16mm or 35mm which indicates any aspect of the social, historical or cultural life of South Yorkshire and North Derbyshire.

Thousands of hours of cine film are being destroyed or thrown out every year and much of it could reveal important aspects of life in this region throughout the 20th century. We'd like people to get in touch and share their films with us. We are also often seeking volunteers to help us.

If you have any old film you'd be willing to discuss, or you would like more information on becoming a volunteer, call the CSV Action Desk at BBC Radio Sheffield on:

**0114 267 5444**
